JEANDRE LOTTER

I am a career driven individual with a strong passion for programming, hoping to fulfill my dreams of becoming a programmer.

Highschool

Hoerskool Stella
2013-2017

I matriculated in 2017 passing the "big 6" which included IT. I was completely academically inclined during my Matric year.

University

Belgium Campus
2018-2022

Started university in 2018, studying Software Engineering. I will be writing my last subject in 2022, completing Software Development.

Work Experience

Part time
2018-2022

I had part time jobs during my studies as Klaus Engineering Group and Builders Depot. I had done stock takes and data capturing.

Hobbies and Interests

Gaming

Airsoft
